

Your Personal Plan

Class of 20____

**Lutheran High School of
St. Charles County**

Use this form to begin planning for four years of high school. Keep it and use it for assistance in selecting classes during your four years in high school. The numbers on the left after the department name represent the LHS graduation requirement and courses required in the Missouri Core Curriculum. Consult the [Registration Handbook](#) for additional information. Required courses are filled in for you. Courses beyond the minimum requirement count as electives. The minimum course load is six credits per year although student may be able to earn as many as eight credits per year with school and parent permission.
